Principles

The Head of Centre/Senior Leadership Team will appoint a SENCO who will determine appropriate access arrangements for candidates with learning difficulties and disabilities.

The Head of Centre/Senior Leadership Team must ensure that, where a candidate with a learning difficulty requires an assessment of his/her needs, he/she is assessed by an appropriately qualified assessor as appointed by the Head of Centre. Evidence of the assessor's qualifications must be obtained before he/she assesses candidates and held on file for inspection.

The centre must have a written process in place, not only to check the qualifications of their assessor/s, but that the correct procedures are followed as in Chapter 7 of the JCQ document 'Access Arrangements and Reasonable Adjustments'.
