

Parents' Guide to Show My Homework:

Show My Homework is part of the Satchel:one group of online learning tools. It is a simple online homework calendar your child can use to keep up to date and on top of all their homework. It gives you all of the information and tools to get involved and support your child with their homework. It can be accessed online and through the Satchel:one app on iOS or Android.

Logging in for the first time on the web:

1. Visit the [Satchel:one login page](https://www.satchelone.com/login?subdomain=cirencesterkingshill&userType=parent).
(<https://www.satchelone.com/login?subdomain=cirencesterkingshill&userType=parent>)
2. Click "I don't have an account yet"

The screenshot shows the Satchel:one login interface. At the top, the logo 'satchel:one' is displayed with the tagline 'Together through education'. Below this, there are three tabs: 'Staff', 'Parent' (which is selected), and 'Student'. Under the 'Parent' tab, there are two radio buttons: 'I already have an account' and 'I don't have an account yet' (which is selected). Below these are three input fields: 'Cirencester Kingshill School', 'Enter email address', and 'Enter parent code (supplied by school)'. At the bottom of the login section is a reCAPTCHA box with the text 'I'm not a robot' and a 'Sign up' button. To the right of the login section, there is a 'Need help logging in?' section with links for 'Logging in as a parent', 'Sign up', 'Forgot password?', and 'Email not recognized?'. At the bottom right, there is a 'SHOW MY HOMEWORK' logo.

3. Enter your own email address and the code supplied by the school In the relevant boxes (the code is case sensitive)
4. Tick the "I'm not a robot" box then click the "Submit" button.

5. You'll then be asked for some contact details, select your title from the "Title" dropdown. Please fill in all fields
6. In the "Password" field, enter in a secure memorable password and enter it again in the "Confirm your password" field.
7. When done, click the "Save" button.

Logging in for the first time on the app:

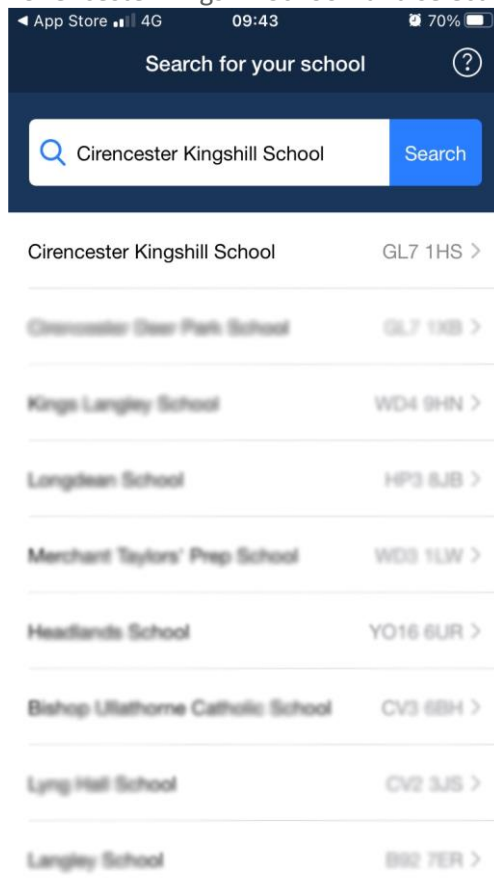

1. Download the app for iOS or Android here:
(please note it is called Satchel One on each of these stores)

(<https://apps.apple.com/gb/app/id908071717>)

(https://play.google.com/store/apps/details?id=uk.co.smhw.android&hl=en_GB)

2. Once downloaded, open the app and in the "School name or postcode" field, enter "Cirencester Kingshill School" and select.

3. Click the "Log in with PIN or Parent Code" button. In the "PIN or Parent Code" field, enter your PIN as specified in the school letter and click "Submit". The PIN is case sensitive.

The screenshot shows a mobile app interface for logging in. At the top, the status bar shows 'App Store', '4G', '09:48', and '69%' battery. The app header is dark blue with a back arrow, 'PIN or Code', and a help icon. Below the header, a dark blue bar contains a checkmark and the school name 'Cirencester Kingshill School'. The main text says 'Your PIN or Parent Code can be found on the login letter you received from your school.' There is a text input field labeled 'PIN or Parent Code' with a visibility icon. Below it is a blue 'Submit' button. At the bottom, there is a link: 'Lost access to an existing account? [Reset your password](#)'.

4. In the "Enter email address" field, enter your email address.
5. If you'd also like to add your mobile number, click the "Add Mobile Number" button and enter your mobile number.
6. In the "Choose a password" field, enter in a secure memorable password and enter it again in the "Confirm your password" field. When done, click the "Update Profile" button.

The screenshot shows the 'Update Profile' screen. The header is blue with a back arrow, 'PIN or Code', 'Update Profile', and a help icon. The main content area is white. It starts with an email input field with an envelope icon and the placeholder 'Enter email address'. Below it is a blue button labeled 'I don't have an email address'. Then there is a blue button labeled 'Add Mobile Number'. Below that is a small text note: 'Optional. We will only use this to help you reset your password.' This is followed by two stacked white input fields: 'Choose a password' and 'Confirm your password'. At the bottom is a large blue button labeled 'Update Profile'.

Once you've setup your account, you will no longer need to use the PIN. You can sign in using your email address and password. You are now able to access your account and view all of the homework set for your child. "View Calendar" is a very useful view, as it shows all of the homework currently set. If you want to look back or forward you can do so by changing the dates.

Why should I use Show My Homework?

Show My Homework allows you to keep up to date with your child's homework. It also allows the teachers to add attachments such as work sheets and help resources so you have everything you need at your fingertips!
