September 2022

Cirencester Kingshill School & Cirencester Deer Park School Careers Convention

Tuesday 11th October 2022 6.00pm-8.00pm

Venue: Cirencester Deer Park School

Dear Parent/Carer,

Cirencester Kingshill School and Cirencester Deer Park School have joined together to help improve the opportunities that are available to the pupils.

We have organised a Careers Convention, for all of our pupils in Years 8, 9, 10 and 11. The event will be held at **Cirencester Deer Park School** and we hope that you and your child will attend this important event.

We already have many different organisations attending this year's Convention, ranging from companies to colleges to universities, and the wealth of information that will be available will apply to all invited year groups. Close to the event I will send out a list of the companies attending.

Year 8 – These pupils may think it will be a long time before they need to make choices for their future but it will soon be upon them. Attending the Convention will help them to start considering their futures.

Year 9 – Pupils will soon be considering option choices for Key Stage 4. This will be an excellent opportunity to look at universities and FE colleges to see what entry requirements are needed, as well as talking to employers to discover the skills and qualifications required in various occupational areas.

Years 10 & 11 – These pupils will soon be making choices for post-16 progression, whether college, sixth form or apprenticeship. There will be people on hand to answer questions. It will also be worth looking at universities to gain an idea of entry requirements and the vast number of courses available.

All of these young people, over the next few months, will have to make decisions that will affect their future. It is vital that they are equipped with as much information as possible.

We very much look forward to seeing you there.

Yours sincerely,

Mrs P Hicks
Careers Coordinator
