

Striving for Excellence

Cirencester Kingshill School

Head: Christine S. Oates

September 2022

Dear Parent/Carer,

Over the year's parents have contributed towards the cost of products made in Design and Technology. This has enabled us to maintain a wide variety of work and ensure that pupils are able to design and make products of good quality using the best possible materials. We believe this helps our pupils to value their work and, in our experience, almost without exception, parents wish to retain the products that their children design and make.

If you wish to retain your child's Design and Technology work a contribution of £10.00 for Key Stage 3 pupils is required.

Payment can be made via our ParentmailPMX on-line system. We are encouraging all payments to be made on-line. If you need assistance in setting up your on-line Parentmail PMX account, please contact the finance office by email finance@cirencesterkingshill.gloucs.sch.uk

For pupils who are eligible for Pupil Premium funding a 40% subsidy is available and contributions costs would be £6. If you feel that you qualify for a bursary, please write to the Finance Office or send an email to finance@cirencesterkingshill.gloucs.sch.uk

Thank you for your help and support.

Yours sincerely,

Mr A Jelf
Head of Design & Technology
