Dear Parent/Carer,

Re: Post-16 Information Session, Wednesday 5th October 2022

At this time of year, we always increase our focus on our Year 11 pupils beginning the process of researching and investigating their options for life beyond Kingshill School and their choices of courses or training opportunities from next September. Having had some return to normality in the last year, we were delighted that our current Year 11 cohort have had the opportunities of work experience and the college taster day last summer and the challenge now is to build on the learning of such events and to support them in establishing definitive and realistic plans for their future.

As such, I am writing to invite you and your son/daughter to the **Year 11 Post 16 Information Evening on Wednesday 5th October 2022 from 6.30pm – 8pm** in the Dining Hall. This event is intended to help you understand the range of options and qualifications available beyond Kingshill School, including A-levels, BTECs, T-levels, Diplomas and Apprenticeships. There will also be an overview of the application process along with key information and guidance to support pupils' preparation and planning for their futures.

Post-16 providers will be hosting their Open Evenings very soon and I have attached a calendar of those dates as well as a calendar of key dates for Year 11 pupils.

Mrs Hicks, Careers Coordinator, is working through **personal progression interviews** with all of the pupils to support their understanding of the wide range of choices that are available and we are very fortunate to have her expertise and knowledge in terms of being able to provide precise and impartial advice.

I do hope that you will be able to join your son/daughter in attending this event at the start of this very important year. To help us plan appropriate seating, please could you return the attached slip to your child's tutor by Friday 30th September 2022 or alternatively, email Mr Hicks via phicks@cirencesterkingshill.gloucs.sch.uk.

Yours sincerely,

Mr J Morland
