Cirencester Kingshill School

Head: Christine S. Oates

September 2022

Dear Parent/Carer,

At Cirencester Kingshill School we use the Satchel One product 'Show My Homework' (SMHW) to set online homework. Your son/daughter has been shown how to access this site at school. We now have all of the parent/carers log ins and are able to start using this system.

Please see the attached set of instructions detailing how you can log onto the system. This will enable you to keep a track of the homework that is being set for your son/daughter. This site allows for the homework, and associated support materials to be posted, so you will be able to access all of these to support your son/daughter with their homework.

Pupils have been given a sheet with the code that you will require to access their account. If they lose this sheet please ask them to report to Mr Evans in IT Support who will issue a new code.

Please contact me if there are any issues with the use of this system.

We have asked that staff who set homework for pupils up until Thursday 22nd September 2022 to get pupils to write it in their planners. This gives everyone the chance to get used to the electronic system. From Monday 26th September 2022 all staff will be using SMHW to set homework.

Yours sincerely,

Mr S Pritchard
