

November 2023

Dear Parent/Carer,

On Friday 10th November we intend to mark Remembrance Day with a special event. We are inviting all of our students who are members of the uniform organisations to wear their uniforms in school on Friday with a sense of pride. Sgt Jamie Taylor from the Cirencester Squadron RAFAC will be in attendance and draw the school to silence at 10.40am. The Salvation Army have very kindly agreed to join us and play the Last Post.

We believe it is really important that we offer all students the opportunity to reflect upon the service of others who protect our democratic freedoms, often at great cost to themselves. Poppies have been sold in each morning registration this week and our morning assembly has focused on Remembrance Day.

We will have in place alternative arrangements should the weather prevent us from all gathering outside on the school field.

Yours sincerely,

Mrs D Christopher
Senior Assistant Head
