

October 2023

Dear Parent/Carer,

Oxford University Press have offered the school a 40% discount on revision materials for the History examination this summer. The revision guide they offer is closely linked to the textbooks we use in school.

The GCSE 9-1 History Revision Guides for the four units: Germany, Conflict and Tension 1918-1939, Elizabeth I and Health and the People are available at the discounted rate of £19.50.

If you wish to purchase a copy through the school, please make payment using the ParentMailPMX online system.

The deadline for payment is by the end of the school day on Monday 6th November 2023. We will then place the order for all of those that have made payment and hand out the books during lessons.

Please be reassured that whether or not you choose to purchase this guide the History Department will provide comprehensive revision resources for each pupil. There are further resources accessible to your child on the Kerboodle website. These resources are also linked to the History textbooks.

Yours sincerely,

Mrs K Couchman
Head of History
