

October 2023,

Dear Parent/Carer,

We are really pleased that your son/daughter has opted to take GCSE Textiles. The course will begin with designing and producing a garment which will form part of their GCSE coursework.

In the past, pupils have individually purchased their own fabrics for their projects. However, for this particular project, the most economical and uniform way of procuring the materials is for the school to purchase them for all pupils. By purchasing in bulk, we are benefiting from a more competitive price and free shipping, whilst ensuring consistency in the materials ordered. Your help in funding your child's portion of materials for this project is gratefully appreciated.

The cost for materials will be £22.00. All other equipment and materials will be provided by the school.

Payment can be made via our ParentmailPMX on-line system. I would be grateful for your co-operation in purchasing these materials by the deadline of the end of the day on Monday 6th November 2023 so that your son/daughter can start working on this project as soon as possible.

Thank you for your support.

Yours sincerely,

Mrs R Waller
Teacher of Textiles
