As with all our residential trips, attendance is dependent upon adhering to the payment schedule. Please be aware that the payment schedule is negotiated, and set, based on the payment requirements stipulated by the travel company, so we need to ensure that the schedule is adhered to. Please note that with any trip of this type, should any student's behaviour, attendance or work cause concern, we reserve the right to exclude them from the trip.

In order to book the flights for the trip to Iceland, we need to confirm the name of your son/daughter as it appears exactly within their passport. Therefore, we need to have access to a copy of the details page. Please submit an electronic copy of these details to finance@cirencesterkingshill.gloucs.sch.uk by Friday 10th November 2023.

Alternatively, please supply a photocopy of the passport information page and return to the Finance Office. If you do not have access to a Photocopier please bring in the passport itself and we will photocopy it ourselves. Unfortunately, we are unable to rely on the name simply being written down as we need proof that it is exactly how it appears in the passport itself. Any errors will require payment to correct, and so we are looking to avoid this scenario.

At this stage, we are only in need of the name within the passport, so if the passport is to expire before the trip departs, that is not a concern at this point; we can still photocopy the document for the details we need now.

Should you have any problems or questions concerning this trip, please do not hesitate to contact me. Thank you for your support and co-operation.

Yours sincerely,

Mrs K. Couchman
Head of History/Iceland Trip Co-ordinator
