

4TH September 2023

Dear Parents/Carers,

I am writing to update you about two key issues that have come to light during the course of our Inset day.

Firstly, we want to ensure students are comfortable this week in view of the unexpected warmer weather. To this end, students are permitted to come to school without their ties, jumpers and blazers, and shirt sleeves may be rolled, for this week only. We expect shirts to be tucked in at all times.

Secondly, you will have undoubtedly read or heard about school buildings in the press. To date, we have no identified concerns but we will keep you updated on this matter.

I can report that the whole school staff team are looking forward to welcoming your children tomorrow.

Yours sincerely,

Mrs Jo Lindley
Headteacher
