

12th September 2023

Dear Parent/Carer,

With the second week under way, I wanted to update you on a couple of matters that are happening this week and next.

Homework

Homework has been launched this week and is available on Satchel One. For parents of Year 7 students, all details on how to use Satchel One, including how to log onto the app, will be handed out in tutor time Wednesday morning. Should you have any queries once you have received the instructions, please do not hesitate to get in touch.

Mr Darren Stillman
Assistant Headteacher

Open Evening – 21st September 2023

We will be hosting our annual Open Evening on Thursday 21st September. This year, we will be closing school early in order that there is enough time to set up prior to our revised start time for the event. As a consequence, we will finish school at 12.50pm on this day. Students are expected to then make their own way home as normal. School buses have been arranged to pick up at school at 12.50pm and will be leaving the site at 1.00pm. There will be no extra-curricular clubs (including homework club) that evening. Students in receipt of free school meals will have a packed lunch made up for them and this will be available for them to collect from the dining room from 12.50pm.

If you have any concerns or queries regarding any school matters, please do not hesitate to contact me.

Yours sincerely,

Mr Steve Pritchard
Deputy Head
