

September 2023

Dear Parent/Carer,

Purchase of Revision Guides for GCSE Combined Science

As a school we are able to offer revision guides to parents for the **AQA Combined Science Trilogy** specification at a discounted rate. We would like to offer our Year 10 students the chance to purchase the revision guide now to support them with their learning, particularly for use at home for revision. The guide covers all the science work for Year 10 and Year 11.

We are purchasing the books from Oxford Revise who have sections for the knowledge that needs to be learned, retrieval practice and practice Exam-style questions. They are offering schools to be able to purchase these for a limited period at a significantly reduced price of £9.50; the cost for the guide would normally be £18.00.

Should you wish to purchase the revision guide please make payment now of £10.00 using the ParentMailPMX on-line system. Payment must be received no later than the end of the school day on Friday 29th September 2023.

Class teachers will issue the books to those who have ordered them during lessons once they arrive. Thank you for your continued support.

Yours sincerely,

Mrs S. Pearson
Head of Science
