

September 2023

Dear Parent/Carer,

### **Purchase of Revision Guides for GCSE Triple Science**

As a school we are able to offer revision guides to parents for the **AQA Science** specifications at a discounted rate. Your child has selected triple science and so will need one for biology, one for chemistry and one for Physics as they are three separate GCSEs. We would like to offer our Year 10 students the chance to purchase the revision guides now to support them with their learning particularly for use at home for revision.

The CGP revision guide covers all the science work for Year 10 and Year 11. The cost for the three individual subject revision guides would be £10.00 for all three, instead of a total price RRP of £17.85.

Should you wish to purchase the revision guide please make payment now of £10.00 using the ParentMailPMX on-line system. Payment must be received no later than the end of the school day on Friday 29<sup>th</sup> September 2023.

Class teachers will issue the books to those who have ordered them during lessons once they arrive. Thank you for your continued support.

Yours sincerely,

Mrs S. Pearson  
Head of Science
