Dear Parent/Carer,

**Purchase of books for English Literature GCSE**

In Year 10 your son/daughter will be studying A Christmas Carol and An Inspector Calls in preparation for their English Literature GCSE.

We recommend that students have their own copy of the texts to annotate in order to prepare themselves effectively for the exams in Year 11. We have secured discounted copies of the texts, which also includes a study guide for A Christmas Carol. We will be using these editions of the books in our lessons and the study guide will be an invaluable resource to support revision and homework. The total for these books is £15.00.

If you wish to purchase these books through the school, please make payment using the ParentMailPMX online system. To enable us to complete this order, the final date for payment is Monday 2<sup>nd</sup> October at 4.00pm.
