A message from the Head

As we find ourselves at the end of term 4, there are many exciting events to report to you. This newsletter gives you a taste of life for pupils at Kingshill School. Thank you to you, as parents, for your support of the many Parents' Evenings and for the continued support you give Kingshill School. Thank you also to the staff for all their hard work.

Following Options Evening on 20th March 2023, Year 9 pupils have chosen the subjects which they will be studying from September 2023 and we wish them all success in the next couple of years.

Year 11 are generally working hard, preparing for their GCSEs and I would like to wish them all good luck with their forthcoming examinations. Thank you to Year 10 and 11 pupils for attending the revision days that took place during the strike days, I hope that these days proved to be useful to them.

This term we say goodbye to Mrs. Brady, Science Teacher. I would like to thank her for her hard work at Kingshill and wish Mrs. Brady well in her next post. This term we have welcomed Mrs. Downes-Hall as our new Finance Assistant and next term we will be

welcoming a new Science teacher, Mrs. Holmes and Design and Technology Teacher Mr. O'Leary.

The weather is slowly improving and the pupils will be able to return to spending more time outdoors and on the field. We are looking forward to a busy and rewarding Summer Term.

Can I finally take the opportunity to wish you all a very enjoyable and safe Easter break. We will look forward to welcoming pupils back on Monday 17th April 2023.

Miss. C. S. Oates, Headteacher

News from the Chair of Governors

Since the last Newsletter, Governors have met on the following occasions:

- Full Governing Body – 19th January 2023 and 9th March 2023
- Curriculum and Pastoral Committee – 12th January 2023 and 7th March 2023
- Finance, Audit and Risk Committee – 2nd February 2023
- Buildings and Health and Safety – 25th January 2023
- Staffing Committee – 11th January 2023
- Chairs Committee – 16th February 2023

All the above meetings were held online except for the Full Governing Body Meetings which took place in school.

Full Governing Body

The meeting in January was immediately preceded by the Annual General meeting of Cirencester Kingshill School, the annual accounts were received and adopted together with the directors' report and auditors report on those accounts.

At the Full Governing Body meeting of the 19th January 2023, two presentations were made to the meeting:

- Mr Hamblin gave a presentation about the work of the Physical Education faculty.
- Mr Lee gave a presentation about the work of the English faculty.

Approval was given for a cross-faculty trip for Spanish and Expressive Arts to go to Barcelona in March 2024.

Policies for Child Protection and Special Educational Needs and Disabilities were approved.

The principal item at the Full Governing Body meeting of the 9th March 2023 was the Head's report, which provided Governors with details of the work of the school since the previous such report that was presented in October 2022. The draft Ofsted Action Plan was also discussed and approved.

Curriculum and Pastoral Committee

Across the 2 meetings policies reviewed annually included:

- Exclusion of Pupils
- Mental Health and Wellbeing
- Collective Worship
- Community Cohesion
- Anti-bullying
- Pupil Premium
- Substance Misuse
- Teaching and Learning
- Educational Visits
- Physical restraints
- Safeguarding Whistleblowing

The meetings were updated over the current positions regarding Safeguarding and SEND and the SEND draft Action Plan was presented and discussed.

The meetings also received reports on Mathematics, English, Science, Humanities, Pastoral and Safeguarding. There was also discussion of the KS4 options being offered to current Y9 pupils.

Finance, Audit and Risk Committee

The committee reviewed the monthly outturn vs budget statements for September 2022 to December 2022. The Best Value Statement, Investment Policy and Lettings and Hiring Policy were approved. Various reports relating to the performance of the school were discussed including Balance and Reserves at Year end 2021-22, Key Performance Indicators, School Resource Management Self-assessment and Dashboard, 2022 Actuarial Valuation and a Benchmarking Overview. The Risk Register was reviewed, and updates provided on the Cleaning and Catering contracts.

Buildings and Health & Safety Committee

The committee discussed the GEMS (Good Estate Management for Schools) self-assessment process. Further areas under discussion included Capital Grants to help with energy efficiency, a heating update on the condition of our boilers, the School Bungalow and its renovation and the CCTV and Paxton systems around the school.

Staffing Committee

Ms Stones gave a presentation on mental health and wellbeing for staff and pupils across the school.

Policies reviewed annually included those for:

- Maternity Leave, Paternity Leave and Shared Parental Leave (Adoption)

- Maternity Leave, Paternity Leave and Shared Parental Leave (Birth)

- Employee Capability

- Whistle-Blowing Policy

- Pay Policy 2022-23

Teachers and Support Staff pay awards were discussed.

Governors were updated on Staffing in all areas across the school.

Chairs Committee

The agenda for the Full Governing Body meeting to be held on 9th March 2023 was approved, in addition to discussion of many of the items outlined above. The policy for Governor Visits to School was approved. The Scheme of Delegation was agreed. There was a discussion of admissions for September 2023 as well as various aspects related to Governors including vacancies, succession planning, role of faculty links and training.

As previously reported the Governors have been engaged in re-structuring the Governing Body into two new bodies — a Board of Trustees and a Board of Members. The Board of Trustees will continue with all the usual work of the Governing Body and will retain the same responsibilities that Governors have at present. The Board of Members will be independent of the Trustees and will not be involved in the day-to-day business of the school. They will scrutinize the work of the Board of Trustees and be responsible for appointing/ removing Trustees. We now intend to implement the change by the middle of May 2023.

Mr A Thomas, Chair of Governors

Year 11 Mock Interview Day

The Sports Hall was a hive of activity on Friday 24th March 2023, as 36 local employers kindly donated their time to conduct mock interviews. Pupils arrived in school looking incredibly smart and prepared for the day ahead. They overcame their initial nerves and presented themselves in a professional manner. They had already completed CV's with their English Teachers for the employers; they answered questions well and rose to the challenge of the event. Well done to our Year 11 pupils I hope this will aid you in securing a job in the future. We are very proud of the young adults you showed you have become.

Mrs P. Hicks, Careers Coordinator

11A with their tutor Mr. P. Hamblin

The feedback from employers was excellent:

“

“The students were of a very high standard, even though slightly nervous to begin with. However, they soon performed confidently and it was an absolute pleasure to see them grow...”

”

“I would definitely have offered some of them a job”.

“We would be more than happy to employ the pupils we have interviewed, please give them my contact details”.

An Evening of Gymnastics and Dance

On Tuesday 7th March 2023, we were delighted to welcome back an audience for the **Evening of Gymnastics and Dance**. We had a diverse selection of acts, ranging from hip-hop, contemporary, tap, jazz, gymnastics and cheer, which was new to the show. We look forward to even more acts next year.

Cirencester Kingshill School

Cirencester Kingshill School

Most Original Choreography, Ava A. and Ava C. (Y7)

KS3 Winner Poppy S. (Y8)

KS4 Winners Daisy S. and India G. pictured with Mrs. A. Hussey

KS3 Runners up Sophia M. (Y8), Charlotte B. (Y9), Charlotte M. (Y9), and Lily P. (Y8)

KS4 Runner up Isla M. (Y11)

The girls were so committed to attending practices and working hard in their own time. Their dedication really paid off culminating in an outstanding show.

We hope to see more pupils auditioning next year.

Keeeeeep Dancing!!

Mrs. A. Hussey, PE Teacher

Update from the Friends of Kingshill School

The Friends of Kingshill AGM took place in School on Tuesday 14th March 2023. On Tuesday 28th March 2023, we held another successful 'pre-loved' school uniform sale, raising helpful funds for the school. We will be holding another sale on Tuesday 11th July 2023 and our next general meeting is on Tuesday 13th June 2023 at 6pm. All are welcome to attend.

Remember you are already automatically a member of the Friends of Kingshill. We always need more support so, why not get involved, make a difference and have fun! If you have any ideas for fundraising or can assist with any upcoming events, feel free to contact us at rblamey@cirencesterkingshill.gloucs.sch.uk

To keep updated on what is happening with FKS, please take a look at our Facebook page, www.facebook.com/FKSCirencester

Thank you all for your continued support. Wishing you and your family a Happy Easter.

The Friends of Kingshill School

New Year Celebration Concert

Rescheduled due to heavy snowfall, our 2022 Christmas Concert became a 2023 New Year Celebration! Taking place back on Monday 16th January 2023, with our talented pupils performing some amazing music at the Church of St John Baptist, Cirencester Market Place.

Olivia P—*Sir Duke*

Alina J—*Oh Holy Night*

Flo D—*If I Only Had a Brain*

Dani G—Burn

Charlotte P— I Dreamed A Dream

All performers warming up...

“ Special thanks to all our amazing performers for braving the stage, attending auditions, rehearsals and going through some long steps to get here. They made this event come alive. ”

Mr. A. Ashby, Head of Music

Year 7 Valentine's Disco

To celebrate Valentine's Day, Year 7 pupils danced their socks off at our Valentine's disco. A couple of highlights being the perfectly executed Macarena and the longest Conga line ever seen. The flexible bunch were also extremely competitive taking part in the Limbo competition. I would like to say thank you to the volunteers from all the other year groups who gave up their time to organise and facilitate the event. Everyone had a great evening and raised a whopping £350. We decided to donate some funds to Save the Children Charity helping with the Syrian/ Turkey earthquake appeal and the rest will go towards our school production fund. We hope all those who attended had a lovely time.

Intermediate Mathematics Challenge 2023

On Thursday 2nd February 2023, 89 of our Year 9 pupils took part in the Intermediate Mathematics Challenge. The challenge is held across schools from the whole of the UK, with approximately the top 8% of pupils receiving a Gold certificate, the next 17% receiving a Silver & the next 25% receiving a Bronze.

This year was the first year that our pupils completed the challenge online. The pupils did exceptionally well, achieving 3 Silver and 13 Bronze certificates. A particular well done goes to Daniel Chapman, who was top in Year 9. Well done to everyone that took part.

United Kingdom
Mathematics Trust

Mrs. C. Stone, Mathematics Teacher

Some of our successful Year 9 pupils. From left to right—Flynn V., Millie U., Summer C., Helen H., Isabella S., Beau D., Will I., Dan C., Finley S., Sarah T., Sophie H., Madison S.

Here are some sample questions from this year's paper:

Jill was given a large jar of jam. She gave one sixth of the jam to Jan. Jill then gave one thirteenth of the remaining jam to Jas. Jill was left with 1 kg of jam.

What was the weight, in kg, of the jam in Jill's jar at the start?

A 1.2

B 1.3

C 1.4

D 1.6

E 1.9

The diagram shows a square, its two diagonals and two line segments, each of which connects two midpoints of sides of the square.

What fraction of the area of the square is shaded?

A $\frac{1}{8}$

B $\frac{1}{10}$

C $\frac{1}{12}$

D $\frac{1}{16}$

E $\frac{1}{24}$

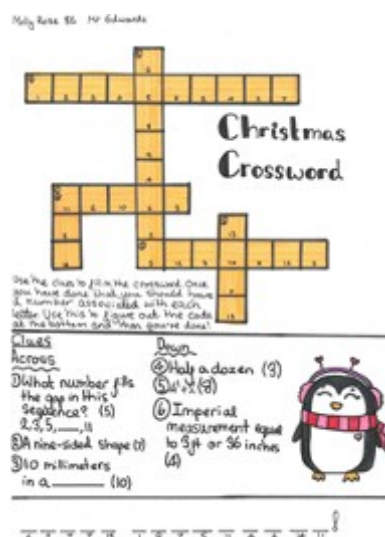

Ans: D & B

Mathematics Poster Competition

Last October the Mathematics Faculty saw the return of their KS3 poster competition. The challenge this year was to design a mathematics puzzle poster. There were over 300 entries, so choosing a winner was very difficult. Below are some of the winning entries. Well done to everyone who took part.

Year 7 - Abigail R.

Year 8 - Molly R.

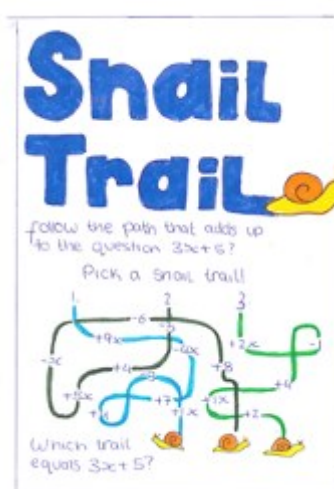

Year 9 - Millie U.

Year 7 - Lillie W.

Year 8 – Megan T.

Year 9 - Rowen E.

Advances in Anesthesia Wins Famelab School Final

Can photosynthesis happen in the dark? Do you understand Spaghettification? Why do we get scared?

These topics and more were all shared as part of the Kingshill School Final for FameLab Academy, a Science Technology Engineering and Mathematics (STEM) competition, run by Cheltenham Festivals as part of its Science for Schools programme. This is our fourth year of taking part in the competition designed to develop communication skills and it was once again a huge success. All of Year 9 took part by preparing talks to present to their class. They gave a 2/3-minute presentation without notes or electronic visual aids and were judged on the content of the talk, the clarity of their story and their charisma and ability to engage the audience. The class then voted on their favourite talks and we ended up with our eight finalists.

The finalists and talks were:

- Freya B - 'Can photosynthesis happen when there is no light?'
- Emily H - 'Different ways to treat animals'
- Faye D - 'One food Process'
- Cerys L - 'Spaghettification'
- Isabelle S - 'Anesthetics and operations'
- Rowan - 'Why we get scared'
- Oliver K - 'Atoms'
- Oliver K - 'Energy'

The finalists were then judged by Faisal Jina, our linked STEM Mentor who works in the area of Artificial Intelligence, Mr. S. Pritchard, our Deputy Head and Mr. Thomas our Chair of Governors. It was an incredibly tough final with fantastic talks and the judges found it extremely difficult to select just one winner! However, they finally agreed to send Isabelle to represent Kingshill at the Gloucestershire School final. Isabelle used her own personal experience of anaesthetics to research the topic and her talk explored how they have developed over time. With the use of simple atomic models, she brought the topic to life and everyone agreed she was a worthy winner.

On Thursday 23rd March 2023, the Science Faculty and a group of pupils went to support Isabelle in the Gloucestershire Schools final for FameLab Academy at The Rose Theatre, Tewkesbury. Isabelle did amazingly well and was the runner up in the competition. It was a great day getting to listen to talks from students across the county on a range of STEM subjects and take part in an event which promotes Science communication.

Well done to all Year 9 pupils, especially the finalists and huge congratulations to Isabelle.

Mrs. S. Pearson, Head of Science

Gloucestershire County Handball Tournament

Following a successful GCSE PE practical assessment, the PE Faculty entered our Year 10 Boys and Girls teams into the District and Gloucestershire County Handball Tournaments, at the University of Gloucestershire, on Monday 6th March 2023. Facing teams who have been playing competitive handball for a number of years, our pupils arrived at the competition hoping to gain experience and build on their developing skills. The girls had a tough

LtoR backrow Mr. P. Hamblin, Reuben P., James T., Sam K., Henry L., Will L., Dan S. LtoR front row Jasper R., Alex M., Ryan B., Zeph R.

start to the competition playing teams who have played successfully at a national standard in previous years. However, despite a few close losses, the Kingshill Girls became more and more confident and competitive winning their final match incredibly 6-0. The boys team proved to be very successful against very strong competition and they finished runners up in their group of four teams, following only one narrow loss in their 1st game. In their Semi-Final they were again narrowly beaten 6-8 by the eventual winners Pate's Grammar School. This result meant they needed to win their final game, in the 3rd place playoff to qualify for the Regional Finals on Wednesday 19th April 2023. They played their best game of the day winning comfortably to finish 3rd in the county and reach the regional finals.

“ The spirit of both teams was fantastic throughout the day and we look forward to reporting more success from these pupils. It proves, with a positive attitude to play new sports and the ability to fully apply ourselves we can be amazingly successful. Well done to all involved. ”

Mr. P. Hamblin, Head of PE

New sub jackets for PE Faculty

Elly Draper, mother of Noah (in Y7) and Faye (in Y9), presents the PE Faculty with 30 new sub jackets.

Mr Hamblin (Head of PE) with Elly, Faye and Noah Draper

In June 2022, Mrs Draper completed a 100km race, supported by her fantastic children, and raised just over £2,500 for Kingshill PE and Learning Support Faculties. This amazing achievement and effort has allowed the PE Faculty to purchase a set of 30 new sub jackets that can be worn during school sports fixtures during the cold months. Mr Hamblin (Head of PE) is extremely thankful for this donation from Mrs Draper, this amazing contribution and incredible gesture really adds to the support we can provide our sporting pupils. Thank you Mrs Draper!

Leadership Academy

Kingshill pupils have been involved in lots more Primary events in terms 3&4. We are very proud of the contribution they make to the local community, enabling lots of Primary aged pupils to compete, get active and have fun! They have taken on a variety of roles from officiating to scoring, coaching to team managing. Leadership opportunities give our pupils the opportunity to develop key skills such as communicating with different people, organising, resilience, motivating and inspiring others and problem solving. The leaders enjoy taking on lots of different roles which are vital to enable others to take part in sport and physical activity. Events they have been involved with in terms 3 and 4 include an Active Literacy and Numeracy festival, Gymnastics, Football, Cross Country, Archery, Sports Hall Athletics and Multi Sports!

Mrs. H. Pauling, School Games Organiser

Football event at Cirencester Arena. Well done to our Year 8 leaders. Lots of fun and great to see pupils developing in confidence.

Schools' Cross Country

Schools' South Wests Cross Country - Blaise Castle, Bristol, 4th February 2023

Well done to Joseph S. (Y7) who came 60th overall and also 7th in Gloucestershire and Harry B. (Y8) who came 36th overall and also 4th in Gloucestershire. Joseph has gone through to England Athletics Nationals for Year 5, 6, and 7 and Harry has gone through to English Schools' Nationals for Year 8 to 13.

ESAA Nationals Cross Country Championships - Woollaton Park, Nottingham, Saturday 18th March 2023

Well done Harry B. who came – 251st in the Junior Boys race (Year8/9) it was a very muddy and fast race.

Mrs. C. See, Athletics Coach

Duke of Edinburgh

Year 10 pupils took part in their Bronze Duke of Edinburgh expedition over the weekend of 25th and 26th March 2023. They stayed at the Far Peak Campsite near Northleach, which opened out of season for us. There was some fair weather on Saturday but this was followed by very heavy rain that night and during Sunday morning! All expeditioners did really well, supported by a great team of staff lead by Mr. Macaulay, Head of RE & Social Studies and D of E.

“

"Our pupils showed great teamwork and helped each other throughout, they should be proud of themselves and their achievement."

”

Mrs J. Johnson, Pupil Receptionist and staff member supporting D of E expedition

Y9 Pupils Attend Climate Change Symposium

On Friday 3rd March 2023, ten students from year nine were chosen to represent the school in a Climate Change Symposium held at Rendcomb College. We started the day in the Griffin Theatre with a presentation about the BeyondCOP21 symposium. This has enabled children to contribute towards the future of climate change since the 2016 Paris Climate Change Agreement. We listened to an inspirational message from Bill McKibbin, a well-known American climate change speaker, informing us about the effects of climate change and what our generation can do to foresee a brighter, greener future. Later, we were shown a series of pictures displaying how climate change has affected the world, this motivated us to make a change and look after our planet with respect for generations to come.

After some fresh air, a guest speaker, the CEO of Whale and Dolphin Conservation, gave an interactive talk about how whales and dolphins positively impact the world and how we can help them and benefit from this. I found this lecture insightful as it taught us about the culture of these incredible mammals.

Before lunch, we started a carousel of activities and workshops. With pupils from other schools, we discussed and expressed our ideas for a sustainable, ideal, and positive future in various aspects of life. Following our appetising lunch, we looked into the life cycle of marine life and how the use of plastic disrupts this cycle and affects the food chain. Furthermore we enjoyed a powerful exhibition where companies promoting sustainability gave us advice on how to be environmentally friendly. Finally we then returned to the Griffin Theatre and were educated about green energy sources particularly hydrogen batteries and electric cars. To end the wonderful day, we discussed what we took from the experience individually. In conclusion, I really valued the opportunity and it opened our minds to a brighter future.

Isabella Stickney, 9B

The group by a Tesla following a talk about electric and hydrogen powered vehicles. LtoR - Dan C., Charlotte M., Helen H., Isabella S., Sarah T., Will F., Corin D., James O., Yentl W., Lying in front is Jasper P.

Stroud College Taster Event

A group of Year 10 pupils attended the Stroud College Taster event in December 2022, as part of our **Raising Aspirations Programme**. Pupils selected taster courses ranging from Makeup to Childcare and from Bricklaying to Animal Care. Kingshill pupils enjoyed the day and got really creative, showing off some hidden talents in many taster classes.

Mrs E. Fletcher, Learning Mentor

Here are some photographs of examples of the work completed by our pupils:

Pipework by Daniel M.

Don't panic! It's stage makeup... by Leah T. & Bella O.

Comic Relief 2023

Comic relief day was on Friday 17th March 2023. Kingshill held a non school uniform day and Mrs. Christopher and the School Council organised a Tombola, which raised an impressive £183.30. In total, the school raised £983.90! Thank you to pupils and staff who contributed and to everyone who took part by buying raffle tickets or donating items. It was a great team effort.

Blood Brothers

On Thursday 9th March 2023, 120 Year 9 and Year 10 pupils went to see **Blood Brothers** at the Wyvern Theatre in Swindon. It was a wonderful time, enjoyed by all. Willy Russell's musical, and its well-recognised themes of class and superstition, is a mixture of silly comedy and deep tragedy, full of memorable heartfelt songs that have helped it endure for fifty years, and even now, on its latest UK tour, it's still pulling in big crowds. And incredibly, despite its age, it's almost impossible not to get swept up in its timeless story of two brothers separated at birth and doomed to face a tragic end.

Mrs E. Stones, Head of Expressive Arts

Comments from our pupils:

“It was one of the best things I've ever seen, the guy who played Mickey was fantastic.”

“I thought it was very emotionally shocking, especially the gun shots.”

“It was great to get out of school and see the play we studied this year.”

“The singing was sensational.”

“The narrator was really spooky—I thought he was the devil!”

Upcoming School Visits / Trips

We understand that many parents want their children to participate in school visits and trips, and we appreciate that these can be very costly. To help you budget for these trips, and to act as a reminder, we will endeavour to publish all up and coming trips in the newsletter. The information will include the date the trip will take place, the destination and the approximate cost to parents. We do hope that this will enable parents to forward plan when budgeting for future trips. Some trips are for a limited number, so please watch out for ParentMail letters with details.
