

Striving for Excellence

Cirencester Kingshill School

Kingshill School's Open Evening and Open Mornings – September 2022

I would like to invite you to Cirencester Kingshill School's Open Evening on Thursday 22nd September 2022, from 5.00pm-8.00pm. I will be holding presentations in the gym at 5.30pm and 6.30pm, where I will talk in more detail about the school. Two of our Year 11 pupils will provide information from a pupils' perspective. You are also welcome to tour the school and meet staff and pupils during the evening.

The Open Mornings are on Thursday 29th September 2022 and Friday 30th September 2022 starting at 9:15a.m. in the Dining Hall, where after a brief introduction by myself, you will be able to join a guided tour with our pupil buddies to see lessons in progress. Bookings are being taken for Open Mornings only, please contact Mrs Bryant to book a space

Cirencester Kingshill School is "Striving for Excellence" in accordance with the school's motto. We set extremely high standards for our teaching and for pupil achievement. We also expect pupils to set themselves challenging targets and take great pride in the excellent results they achieve. Personal Support and guidance is given through our extensive pastoral system, which enables our pupils to achieve their individual goals.

Extensive support and academic tutoring ensure that pupils achieve their academic potential. This year our GCSE results were again outstanding. 90% of pupils achieved 5 or more standard passes (grades 9 – 4). 83% of pupils achieved 5 or more standard passes (grades 9 – 4), including English and Mathematics.

The school has first class modern facilities. Pupils have excellent educational opportunities, very good resources and outstanding teachers.

We place great emphasis on pupil achievement, not only in the curriculum but also in extra-curricular activities. An extremely wide range of extra-curricular activities and leadership opportunities are offered to our pupils.

Kingshill School is a Specialist Sports and Science College, offering extensive choices in these subjects. However, we ensure that every child has access to a broad and balanced curriculum in all subjects. These activities include sports, creative arts, social events and a variety of residential visits both in Britain and abroad. Many after school clubs take place each week.

Kingshill School benefits from excellent working relationships between pupils, parents, staff, governors and the wider community. This creates a unique environment, which encourages our pupils to develop into caring well balanced and confident young adults, who are able to seize every opportunity to maximise their potential. We believe Kingshill School offers the ideal platform to help develop a pupil's full potential in a secure and stimulating learning environment.

We are all very proud of Kingshill School and pupils, staff and governors contribute to the school's excellent reputation in the community.

Please take the opportunity to visit Kingshill School, meet the staff and pupils, and see the school in action. I look forward to meeting you and sharing the experience of Kingshill School, of which I am so very proud.

Christine S. Oates
Headteacher
