

Summer Work

Many of the Post 16 providers have already sent out information about what is expected of you in Term 6 and the work you need to do. If you haven't heard from your provider please email them for information. Below is a table of the information we have received so far. It is essential you do the summer work or you will not be prepared for September.

<p>Balcarras www.balcarras.gloucs.sch.uk</p>	<p>As part of the consultation interviews Balcarras will be making sure all applicants are able to access 'Getting A-level Ready' bridging'/preparation work. - There will be an induction day at Balcarras on Thursday 1st July.</p>
<p>Cirencester 6th Form College www.cirencester.ac.uk</p>	<p>Cirencester 6th Form College will be setting some "Flying Start" work in June for each subject. This will include work that will be assessed when starting college and will form part of their first "effort" grade once they have started at college. For most subjects there will be also be some reading and viewing lists. The work will be on the Applicant Portal so pupils should ensure they are familiar with how to log onto this.</p>
<p>Farmor's Sixth Form www.farmors.gloucs.sch.uk</p>	<p>Farmor's are going to be offering an immersive sixth form experience for three weeks probably from 8th - 25th June. This will be open to our pupils and those from other schools who have applied to them. It will provide face-to-face lessons in their chosen subjects to build skills and understanding as preparation for A-level study. This will also allow them time to experience what sixth form is like as well as meet staff and check they have chosen the right subjects.</p>
<p>Hartpury College www.hartpury.ac.uk</p>	<p>Students should focus on is ensuring that they have a sound knowledge base (particularly in the subjects they want to continue with Hartpury), as well as English, Maths and Science) so that when they get to Hartpury they can build upon this. Hartpury will support them with the Level 3 content as soon as they start.</p>
<p>Marling Sixth Form www.marling.gloucs.sch.uk</p>	<p>Marling have sent A-level Preparation work for pupils to introduce them to their subjects. They usually do this after pupils have taken part in their induction days, pupils have already been invited to the induction day. In the admissions section of their website there is a copy of the introductory A-level work This will be updated in Summer 2021.</p>
<p>Sir Thomas Rich's Sixth Form www.strschool.co.uk</p>	<p>Summer work will be published on the website to be downloaded by subject, including reading lists and tasks to be completed.</p>

Stroud High Sixth Form

www.stroudhigh.gloucs.sch.uk

They typically send a Transition Booklet in June which includes details of the equipment, resources and textbooks they need (folders, pens paper, plastics wallets etc.) as well as the work they would like them to do in preparation for September. There will be an induction day at Stroud High on Wednesday 30th June.
