As a school, we are exceptionally proud of our pupils, our staff and our facilities, and we look forward each year to opening our doors to prospective pupils and their families to look around the school.

We are delighted to be able to share the dates for our September Open Events, and we very much look forward to welcoming families in to our school to meet our pupils and staff, and to see our school in action

There is no need to book for these events. On arrival, please make your way to the registration desk and we will book you in there.

A warm welcome is extended to see for yourself the work of this first class Secondary School.
